Your right to cancel

You may cancel at any time before taking possession by calling 09 928 6828 or emailing info@everestvs.co.nz.

No cancellation charge applies during the first five working days, starting on the day after you receive a copy of the agreement.

After that period and before you take possession, a cancellation charge may apply. It is calculated case by case and is capped at the lesser of \$150 and Everest's actual and reasonable costs arising directly from your individual agreement. It is not an automatic fee or penalty.

Everest will refund your payments, less any lawful cancellation charge, and process the refund without delay. Please allow up to 10 business days for completion.

If this is an uninvited direct sale, the five-working-day cancellation right also applies under the Fair Trading Act 1986. Before the agreement is entered into, our representative must tell you about this right and how to cancel.

No interest or routine fees

No interest, default interest, account-keeping fees, late-payment fees, dishonour fees, internal administration fees or early repayment fees apply.

A missed payment may delay delivery and may require at least four consecutive payments on time before delivery, but it does not increase the total price or create a fee.

After you take possession, any unpaid balance remains payable under the agreed payment schedule. A missed payment after delivery does not cancel the agreement or create a right to a refund.
